## ENT

### Weill Cornell Medicine Department of Otolaryngology Audiology Program

Our Audiology Program provides state of the art diagnostic procedures for disorders of hearing and balance for adults and children. Our rehabilitation services include direct access to current technology in hearing aids, cochlear implants, implantable technologies, assistive devices and personal amplification. Interventions include individual and group auditory training, educational and communication training.

### Adult Services

- **Complete Audiological Evaluations**  
(CAE)—Hearing Tests
