## Weill Cornell CONNECT

*Your Medical Record Online*

**Quick and easy! Sign up today at [www.weillcornell.org](http://www.weillcornell.org).**

**Weill Cornell CONNECT** is a safe, convenient, and free online service that gives you direct access to parts of your medical record from any visit with a Weill Cornell physician. With **Weill Cornell CONNECT** you can:

- Manage appointment requests
- Communicate securely by email with your healthcare team
- View your lab results
- View key areas of your medical record, including immunizations, medications, allergies, vital signs and diagnoses
- Request medication refills
- Receive important health reminders
- Access a comprehensive health library, including detailed patient instructions

*If you do not have internet access, you can request a printed copy of your visit at no charge to you. Please ask our staff for an after-visit summary.*
